Efay Sustainable Love

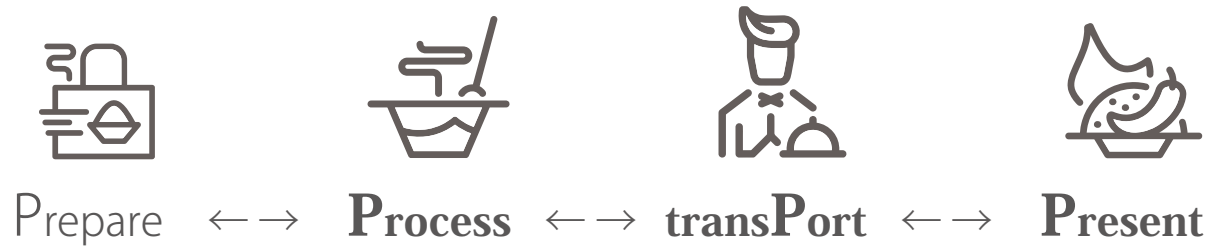

Efay Sustainable Love

Insisting on quality, Efay's QA dept. filters lots so-called "defected goods", which might be a bit spotty but perfect for use, we cherish and nickname them as "mideum beauty". Every May for nearly 10 years, Efay's volunteer partners make time and sweat to clean and repolish them, for selling to donate to charity events, turning waste to sustainable hope for kids.

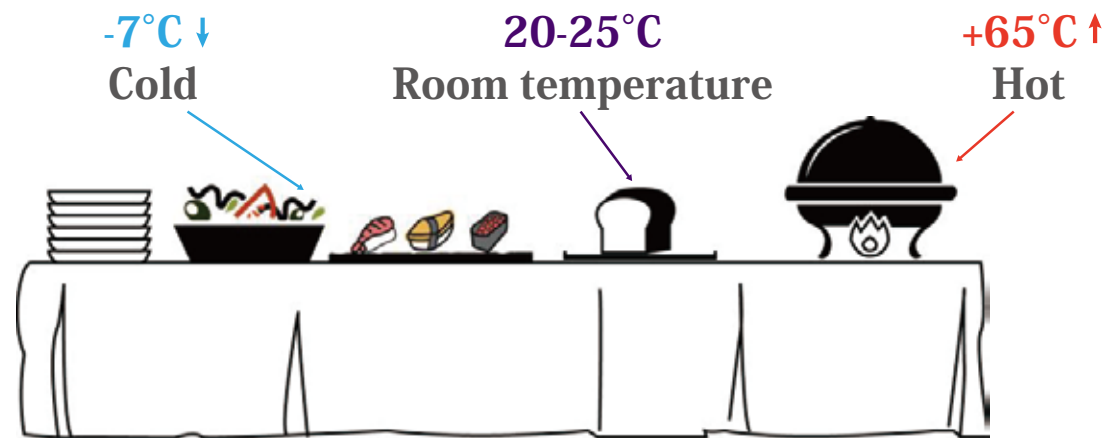

Thanks for loving and choosing Efay's products, hope they support your business reliably, we would also like to invite you to join this good will started by you, hope to see you in our next event! ;-)
